Course Description

This course focuses on the theoretical and practical knowledge needed to negotiate, execute, and monitor the performance of international commercial contracts. This course provides undergraduate law students with a comprehensive understanding of the life cycle of international commercial contracts. It covers key aspects such as contract formation, interpretation, performance, non-performance, remedies for breach, exemptions, and dispute resolution. By the end of the course, students have a strong foundation in the principles and practices governing international commercial contracts, enabling them to effectively draft, analyze, and negotiate such contracts.
