UCEAP Official Title DEMOCRACY AND DEVELOPMENT A
UCEAP Transcript Title DEMOCRACY & DEV
UCEAP Quarter Units 5.00
UCEAP Semester Units

3.30

Course Description

In this course, students address the question of how political institutions affect economic development. Students examine three core sets of institutions - state, nation, and regime – examining their character and development in both historical and contemporary perspective. Students look at how democratic nation states emerged in the West, comparing this to the experiences of contemporary developing countries. They consider the major theories on how these institutions impact on development and what empirical evidence they have about this relationship.
