Course Description

This course offers an introductory study of ancient history, focusing on the Ancient Near East and Greco-Roman antiquity. The course explores the main political, socio-economic, and cultural developments in this epoch between ca. 800 BCE and 500 CE. The course utilizes textbooks, visuals, tutorials, ancient sources, and modern literature in order to offer insight into current scientific debates and to examine specific themes in Greek and Roman history. The course consists of lectures, seminar discussions, assignments, and group work.
