## Course Description

This course examines the issue of human rights in relation the idea that multicultural coexistence is accepted as a political and social fact, and, through this process of examination, aims to design institutional conditions that can respect special cultural experiences on the one hand and secure universal humanity on the other.

Course topics explore diverging opinions on human rights in theory and practice: universality and relativity of human rights; development of human rights toward social and cultural rights; freedom of expression and antidiscrimination law; abortion, euthanasia, and human rights of women; immigration, refugee and border control; humanitarian intervention and sovereignty.
