EQUALITY& DIVERSITY

**UCEAP Quarter Units**

5.00

**UCEAP Semester Units**

3.30

## **Course Description**

In this course, students study contemporary issues of diversity and equality advocacy. Students explore the kinds of social movements and collective activism that have driven, shaped, or challenged human rights internationally, taking a bottom-up approach. Case studies are used for in-depth exploration of tensions between equality and diversity and to examine the forms, functions, and outcomes of collective action in relation to the cases considered.
