Course Description

This is the first and the easier part of the 2-part soccer course.

Soccer

(1) To enable students to acquire the basic techniques of kicking (passing) the ball, stopping the ball, and controlling (dribbling) the ball, including the commonly used movements; simple two-man passing tactics and to be able to apply them in practice matches.

(2) To improve coordination, flexibility, and develop the qualities of sprinting back and forth, so as to meet the physical fitness requirements for general seven-a-side football matches.

(3) To cultivate a football awareness, understand the commonly used tactical formations in the game, enhance the awareness of positioning, understand the main rules and refereeing methods, and improve the ability to appreciate the game.

(4) To train students to be able to serve as referees for general teaching or practice matches.

Soccer

(1) To enable students to acquire the basic technical actions commonly used in kicking (passing) the ball, stopping the ball, and controlling (dribbling) the ball, and to be able to use them effectively in teaching and competitive games.
