10.00

**UCEAP Semester Units**

6.70

## Course Description

The course allows students the opportunity to explore through embodied engagement a range of methods of movement practices in order to performatively understand place, movement, and cultures. Students study, through practice and seminar, some of the key writings and practices of movement and place in contemporary culture. This can include a range of contemporary and historical approaches to dance, choreography, physical theatre, somatic practice, and contemplative practices.
