Course Description

This course introduces students to the basic knowledge and understanding of the 19th and 20th century sub-Saharan African history. This course will offer:

1. A basic narrative of sub-Saharan African history from 19th century to the present;

2. Detailed knowledge of the histories of selected African countries after assignment;

3. An understanding of the framework in which sub-Saharan Africa has interacted with the rest of the world throughout the last century;

4. A way to approach contemporary issues in African politics, society and culture through a historical lens;

5. Experience in interpreting sources, engaging in historical debates, delivering analytical arguments both orally and in written form.
