## Course Description

This course discusses violence, memory and exile in Latin America through the lens of literature and literary theory. It especially focuses on exile from Argentina and exiled writers living in Mexico. It aims to understand the relationship between literature, society and history. The class uses theoretical tools to analyze different literature from Latin America and aims to think about violence memory and exile in Latin America. The course includes texts and novels from Latin American writers, accompanied by Latin American movies as well as theoretical texts that serve to provide context for the class. Beyond the texts, the class aims to use cultural knowledge and understandings to clarify and elaborate the ideas and concepts of memory, exile and violence.
