Course Description

This course aims to provide students with a basic understanding of the role of folk culture in cultural studies, the history, current state, and future development of folklore in the international humanities, the characteristics, functions, and modern significance of Chinese folk culture, as well as the origins, development, and spiritual essence of key folk culture events. Through this course, students will develop a deeper understanding of Chinese wisdom, national characteristics, and cultural traits, expanding their knowledge base and enhancing their ability to analyze and judge social phenomena from multiple perspectives.
