UCEAP Transcript Title DRUG CONTROL
UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description

This course examines issues around drug use, supply, and associated criminal behavior from a social and subcultural perspective, understanding how some people's drug use is disproportionately framed as 'problematic.' It explores different frameworks and approaches to governing drug use and rehabilitation around the globe, as well as the future of drugs in our society by understanding how technology, media, and globalization shape the changing drug markets.
