WORK SOCIOLOGY

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

## Course Description

This course examines classical and current debates in the discipline, through both theoretical and empirical scholarship. The class begins with a chronicle of the valorization of work over time and the development of capitalism, before covering the changes in the workforce with the onset of neoliberalism worldwide. Other topics covered include gender discrimination, unions, and relations between workers and employers, with a specific focus on Mexico.

## Language(s) of Instruction

Spanish
