UCEAP Semester Units 4.00

Course Description
In this course, students examine the ways in which Caribbean festivals and rituals provide understanding of Caribbean society and culture. The course emphasizes the element of masquerade and students consider how it relates to the historical narrative in the Caribbean and debates surrounding Caribbean identity. The course adopts a pan-Caribbean approach, which allows students to analyze a variety of traditional, community, religious, and national rituals and festivals as manifested within the region and the diaspora.
