Course Description

The course fosters the student's acquaintance with classical Latin and explores both prose and verse authors. The authors chosen may vary from year to year. Particular attention is paid to the development of their ideas, literary styles, and genres. There are lectures on the authors set, seminars to discuss broader themes within the module, and tutorials to monitor and assist progress in study of the language and interpretation of the literature. Students must have passed first year Latin to take this course.
