Course Description

This course is an exploration of scholarly and popular perspectives pertaining to rite and ritual, life-cycle, and annual cycle including funerals, wakes, and weddings. This course advances and deepens students' understanding of time, temporality, and periodicity in vernacular culture and everyday life in general. Topics include celebration and festival, rites, and rituals as well as traditions around wakes, patterns, and pilgrimages. The contexts of these traditions in contemporary society is examined throughout the course.
