UNDERSTAND THE SELF

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

## **Course Description**

Each of us has a self and an identity by virtue of being human. But do other living beings have a self? Do other living beings have society in the same way humans do? In this course, students will consider some traditional assumptions of selfhood (e.g., the capacity for reason, speech, and memory) from different sociological perspectives.

## **Language(s) of Instruction**

English

## **Host Institution Course Number**

ARTS2876
