UCEAP Course Level Upper Division
UCEAP Subject Area(s) Urban Studies Sociology
UCEAP Course Number 128
UCEAP Course Suffix N
UCEAP Official Title LONDON LAB
UCEAP Transcript Title LONDON LAB
UCEAP Quarter Units 6.00
UCEAP Semester Units

4.00

Course Description

This course takes London, a global, multicultural city as our lab for exploring social science theories and methods. It engages with current social issues in the city, situating them historically and within wider national and global contexts. The course considers what a focus on a particular city, in this case London, can contribute to the social sciences, and conversely considers how social science concepts and theories can contribute to a richer understanding of cities and city life.

Language(s) of Instruction
English
