4.00

UCEAP Semester Units

2.70

Course Description

The period from the accession of David I in 1124 to the death of David II in 1371 forged the modern nation of Scotland. This course considers the extent to which David I's feudal and economic innovations shaped Scotland. Students examine the influence of the Church on society and how religion was utilized to political advantage. The territorial expansion of Scotland is assessed. Students also examine Anglo-Scottish relations during the period and consider the lives of William Wallace and Robert Bruce.
