Course Description

This French conversation course is an intermediate-level course. It is based on the CEFR (Common European Framework of Reference for Languages). It prepares students for the B1 level of the DELF: oral comprehension and production.

The course goals include: ability to listen to real-world conversations or radio broadcasts on general or specialized topics multiple times and answer questions based on what has been understood. Ability to describe one’s personality, present one's strengths and weaknesses, talk about love stories, discuss friendships, talk about health and explain health issues, describe objects, talk about different types of houses, discuss jobs and create ideas for future careers, talk about sports activities, and share ideas for creative leisure activities.

Prerequisites: French conversation 1 and French conversation 2
