8.00

UCEAP Semester Units
5.30

Course Description
This course focuses on Glasgow's social problems and urban challenges and how these are tackled by public policy, including comparisons with cities in other parts of the world. Students focus on issues ranging from poverty and inequality, housing and community relations, to gangs and the "divided city." They consider how policy tries to address these issues and what type of difference policy makes.

Language(s) of Instruction
English
