Course Description

This advanced Japanese course is designed to improve communication skills needed on a business setting. A theme concerning Japanese culture and society is chosen in context of "business" and students are split into groups to engage in activities, discussion, and group work concerning the selected topic. The course aims to widen student perspectives and deepen their knowledge regarding various issues related to Japan and Japanese society, while acquiring skills needed in a Japanese business setting. The program offers various theme courses and students may take multiple sections.
