UCEAP Transcript Title CELEBRITY&FANDOM
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines stars, celebrities, and fandom practices, as they are found in the media and popular culture (film, television, pop music, advertising, branding, news and magazines, the Internet and society media). Stars and celebrities also arise from beyond the mediasphere, with the possibility to consider literary stars, famous artists, royalties, and personalities from the fields of politics and sports. Academic approaches to fan cultures also critically engage with subcultural groups and participatory practices.

Language(s) of Instruction
English
