8.00

UCEAP Semester Units

5.30

Course Description

In this course students develop writing skills through a series of focused writing exercises that are critiqued in class. Students are introduced to some of the major theories of story design, and are taught how to develop their work draft by draft. Weekly classes cover (among other issues) the classic three act structure, beginnings and endings, the importance of genre, universal themes and their audience relevance, and dialogue.
