4.00

UCEAP Semester Units
2.70

Course Description

This is an introduction to the fundamental importance of law in everyday commerce in the common law world. The course deals with the common law approach to law, its creation, dynamic development, and practical application to business, focusing on two of the most important areas regulating business obligations: contract law and negligence. It also deals with risk evaluation and the capacity to influence, develop, and change the law itself.
