UCEAP Transcript Title THEMES/SOCIOLOGY 1
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
Modern sociology developed in the 19th century along with the rise of industrial capitalist society. It had a number of key concerns that reflected changes in, and the structure of, society at the time. These continue to preoccupy sociologists who look at them in changed and redefined times. This course looks at such themes and the sociological perspectives on them, as they have developed in both classical and contemporary forms of the discipline.
