UCEAP Transcript Title LESS DEV COUNTRIES
UCEAP Quarter Units 5.00
UCEAP Semester Units

3.30

Course Description

The problems facing less developed countries are among the greatest challenges facing the world today. This course focuses on the diverse structures and common characteristics of less developed countries and offers an evaluation of policies being pursued. It begins by discussing the idea of economic development before moving onto sources of and barriers to development. It uses contemporary models of economic development to investigate why some countries are rich and others are poor.
