UCEAP Transcript Title INDIGENOUS LANG AUS
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines Australia’s rich and complex Aboriginal linguistic heritage in contemporary and traditional contexts. It covers language and the land, kinship and social organization, narrative and conversation, language acquisition, language contact, language and education, language maintenance and revival. There will be a focus on how new ways of speaking are created, how languages are lost, and the ways in which Aboriginal speakers are teaching and reviving their traditional languages today.

Language(s) of Instruction
English
