Course Description

This course examines surfing's history, culture, and science with a unique practical immersion. Students will uncover the multifaceted nature of surfing in Australia, which will include examining surfing's Polynesian roots in the First Nations cultures, its development by the modern surfing industry, as well as delving into the science that shapes the perfect wave. Students will examine the distinct surfing culture which has emerged and is still evolving through Australian music, film and literature. Students will also examine the effects of large businesses such as Billabong and Rip Curl on Australia's surfing culture.
