**UCEAP Transcript Title**

ARAB SPRING&BEYOND

**UCEAP Quarter Units**

4.50

**UCEAP Semester Units**

3.00

**Course Description**

This course illuminates the landscape of counter-revolutionary efforts in the Middle East and North Africa region and the restoration—or reconfiguration—of autocracy through notable cases of human rights violations. Each session focuses on one emblematic case study in a different country; and from there, reconstructs the recent trajectory of said country, examining how the national power structure was reshuffled, in line with geopolitical transformations and to the detriment of human rights aspirations.

**Language(s) of Instruction**

English
