4.00

Course Description

This course is for students who are planning to work in international teams or are considering an international career. It provides students with background knowledge of different cultural models and approaches that impact people’s behavior in a professional setting. The course raises students’ awareness of potential areas of cultural differences and the ways how to improve their intercultural communication ability. It considers a range of professional skills and situations from intercultural perspectives in order to prepare students for confident communication in their work or study-related settings.
