AMERICAN POP CULTR

UCEAP Quarter Units
6.00

UCEAP Semester Units

4.00

Course Description

The focus of this course is on critically evaluating the place and meaning of American popular culture in contemporary life. In order to do so, students look at the complex historical and transnational roots of American popular culture. Students also discuss how American ideals, both constitutional (such as freedom of the press, and also the right to keep and bear arms) and mythic (the American Dream, the frontier, individualism) have influenced the place and content of popular culture in the US.
