**UCEAP Transcript Title**

EMBDMNT FEM INDG ST

**UCEAP Quarter Units**

5.00

**UCEAP Semester Units**

3.30

## Course Description

Students will consider hegemonic understandings of the body as essentially linked to histories of colonialism and power. They will investigate frameworks about the body proposed by minoritized groups, developed out of collective struggle and political movements, found in feminism and critical indigenous studies. Students will recognize the essential differences between these frameworks as well as how they intermingle and intersect.

## Language(s) of Instruction

English

## Host Institution Course Number

LET211I

## Host Institution Course Title

EMBODIMENT, FEMINISM, AND CRITICAL INDIGENOUS STUDIES
