Course Description

This is an advanced level art studio course for students with prior experience. Students are required to attend both the theoretical part and the studio laboratory and to complete individual projects. The course focuses on historical and traditional techniques and methods used in contemporary works in the visual arts and in design, as well as a reconceptualization of methods using new technologies, materials, and products. Final assessment is based on the student's artistic work, employing the techniques and methods discussed in class.
