Course Description

This is an advanced level painting course for students who have experience in painting techniques. Enrollment is by consent of the instructor. The course includes lectures and studio time for individual projects. Students are required to attend both the theoretical part and the studio laboratory and to complete individual projects. The course involves the study of all aspects of painting from pre- to post-production and of the technical processes involved. Students develop techniques and learn to critique their own works. Assessment takes place throughout the semester and with a final evaluation of the artworks completed.
