Course Description

This Italian language course at the Common European Framework (CEFR) level of B1 is for students who want to reach an intermediate level of Italian.Students learn to understand familiar topics and interact without significant difficulty. Students also learn to write simple texts and to briefly express and explain the reasons behind their opinions and plans. Specific areas of Italian language learned in this course include briefly arguing for or against something; seeking information on study topics; asking others to express their opinions; giving and understanding instructions; expressing one's opinion on facts, people, and attitudes; making predictions; sequencing two or more events over time; justifying an idea, position, or choice, including when agreeing or disagreeing with someone; granting permission and forbidding actions; planning an activity, a trip, or a task; talking about one's and others; narrating real events (personal or otherwise) and fictional stories; receiving and giving recommendations and advice; asking for advice; and answering questions about study topics. Students must have attained the equivalent of the A2 level as a prerequisite. The course is graded pass/no pass only.
