**UCEAP Semester Units**

4.00

## Course Description

This course offers a range of approaches to contemporary conversations around embodiment and ideas of normativity. In particular, it familiarizes students with representations of physical and mental difference in film, social media, and literature within and beyond European and North American contexts. Featured themes include disability and identity, health and constructions of the self, mental difference, and the quest for political recognition.

## Language(s) of Instruction

English
