UCEAP Course Number
186

UCEAP Course Suffix

UCEAP Official Title
UNDERGRADUATE RESEARCH

UCEAP Transcript Title
RESEARCH

UCEAP Quarter Units
6.00

UCEAP Semester Units
4.00

Course Description

This course provides research training for exchange students. Students work on a research project under the guidance of assigned faculty members. Through a full-time commitment, students improve their research skills by participating in the different phases of research, including development of research plans, proposals, data analysis, and presentation of research results. A pass/no pass grade is assigned based a progress report, self-evaluation, midterm report, presentation, and final report.

Language(s) of Instruction
English
