Course Description

This course, offered entirely in Korean, is designed for students who have basic knowledge of the Korean language and have completed more than 50 hours of Korean language education or taken Korean Language 1. It enables students to deepen their understanding of the Korean language and to acquire a beginning level of communicative competency in Korean. This class employs a comprehensive approach for reading, writing, speaking, and listening. Topics include how to use honorific forms, speaking in formal settings such as presentations, how to engage in phone conversations, daily topics like travel, transportation, family, culture, and Korean life.
