INTRO TO KOREAN ART

UCEAP Quarter Units

4.50

UCEAP Semester Units

3.00

Course Description

This survey course examines the visual and material culture of Korea from prehistoric times through the Joseon dynasty (1392-1910). It presents key artifacts and artistic traditions in a chronological framework, exploring them within their historical, cultural, religious, and social contexts. While the lectures primarily focus on the diverse works of art that emerged within the Korean peninsula, attention will also be given to the transcultural dynamics of East Asian art history.

Language(s) of Instruction

English
