UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description
This course provides a study of the system of rights and liberties established by the Spanish Constitution. It examines the historical evolution of the rights systems, taking into account international and European protection systems; the nature and structure of rights; normative and institutional guarantees and jurisdictional guarantees, as well as suspension of rights and liberties. The course then delves into specifics of the Spanish constitutional system: the principle of equality; effective legal protection; rights specified in the Constitution.

Language(s) of Instruction
Spanish
