### **Course Description**

This course provides opportunities for students to learn Japanese vocabulary, grammar and conversation that are useful in university life. Participants are expected to express what they want to say in basic Japanese; learn about Japanese language culture and values, and expand their world through learning Japanese language. This class offers blended learning: a self-directed learning (SDL) session in which students are required to learn individually using online materials (equivalent to one 100 min period/ week), and a real time session (Zoom) in a classroom with other students (one 100-min period/ week).
