6.00

**UCEAP Semester Units**

4.00

## Course Description

This course examines academic, public and popular ideas about youth and practices of youth culture. It pays particular attention to the ways young lives are gendered and the role gender plays in the institutions and other contexts in which young people live. Other points of focus include changing conceptions of youth, relationships between policy and youth, images of youth and youth culture, and discourses on (im)maturity, training, and identity.

### Language(s) of Instruction
