Course Description

This course enables students to have simple conversations by learning basic sentence patterns, expressions, and vocabulary in Korean.

Students learn how to read and write Hangeul (Korean alphabet). Also, students will practice various daily topics such as self-introduction, greetings, major/school activities, family, locations, and numbers. The course follows the integrated text which is effective for students to practice four areas: reading, writing, speaking, and listening.

This class will be carried out in Korean. Therefore, students are required to speak Korean only during class time.
