EUR CONTEMP ISSUES

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

## Course Description

The fate of the European Union hangs in the balance. The crisis concerns more than economics. Do Europeans feel European, or is Europe simply a collection of states with a history of close interactions and devastating wars? Will Europe overcome its dilemmas? How do contemporary social theorists respond to the political, social, and cultural questions raised by the crisis? The course probes these issues to deepen understanding of Europe in the context of contemporary social theory

## Language(s) of Instruction

English

## Host Institution Course Number

EUST3001

## Host Institution Course Title

EUROPE: CONTEMPORARY ISSUES
