EUROPEAN POL ECON

**UCEAP Quarter Units**

4.50

**UCEAP Semester Units**

3.00

### **Course Description**

This course studies Europe both as a collection of countries that exhibit varying political, economic, and policy patterns but face very similar problems at the turn of the millennium and as a political and economic unit that binds those European countries together and determines their collective responses to the challenges they face. It provides an understanding of capitalist diversity within Europe and the challenges faced by European integration in the past decade and a half.

### **Language(s) of Instruction**

English

### **Host Institution Course Number**

DAFF 25A71

### **Host Institution Course Title**

EUROPEAN POLITICAL ECONOMY
