GLOBALIZATION SDH

**UCEAP Quarter Units**

3.00

**UCEAP Semester Units**

2.00

## Course Description

This course introduces the conceptual framework of social determinants of health (SDH) and examines how globalization affects various types of SDH and consequentially influences the health of individuals and populations. Societal and policy-level SDHs are highlighted, focusing on analyses of interventions and solutions to tackle health inequalities.

A basic understanding of public health and health policy is helpful but not a prerequisite.

## Language(s) of Instruction

English

## Host Institution Course Number

HPM7099
