UCEAP Quarter Units 2.50
UCEAP Semester Units 1.70

Course Description

Many countries rely heavily on voluntary organisations during crises, and their efforts are often crucial in reducing the social impact of a crisis. The course focuses on the phenomenon of volunteerism and discusses the role of volunteerism and voluntary organisations linked to crisis and war in Swedish society as political and empirical phenomena. The course inventories and discusses volunteerism and voluntary organisations and their formal and informal relationship to public organisations and authorities.
