Course Description

This course is for students who have no previous knowledge of Korean and offers an introduction to Korean language and culture. It enables students to develop competence in a range of everyday tasks in Korean. The course focuses on oral communication and on acquiring essential listening and speaking abilities. Students develop and practice basic reading and writing techniques. The stimulus material (oral, aural and written) provide an introduction to Korean grammar and syntax and contribute to giving the students an insight into aspects of Korean life and culture. This course is delivered via small group teaching with classes having a maximum of 16 students.
