Course Description

This course is a general education course available for all departments and faculties of the university. It aims to bridge the gaps in students' verbal communication and interpersonal skills through systematic instructional training, thereby effectively improving students' ability to communicate with others after leaving campus and entering society and laying a theoretical and practical foundation for their career advancement. The teaching content of the curriculum includes both theoretical knowledge and case studies, aiming to connect theory with practice and effectively enhance students' verbal communication and interpersonal skills.
