**UCEAP Semester Units**

2.00

## Course Description

This course explores various facets of modern Japanese society and culture, including family, education, gender, work, and life cycle through readings and (feature) films. The course considers the relationship between cinema and society, critically analyzing a body of film texts from the contexts of their production and reception, and considers what one can -- and how one can -- learn about any society through its feature films. Each semester focuses on different themes.

## Language(s) of Instruction

English

## Host Institution Course Number

MGINT222

## Host Institution Course Title

JAPANESE SOCIETY 2 (ENGAGING JAPAN)
